

PRESS RELEASE

Cut offs - Synopsis

St Stephen's College is happy to announce the cut offs for the various undergraduate subjects under study at College. There were a total of 19,862 applications received this year. Of these applicants 59.2% were female and the rest male. Humanities had a total of 13,089 applications and Sciences had 6773 completed applications. Christian applications were 1105. English had a total of 3505 applications followed by Economics which had 3418 applicants. Mathematics had 2231 applications. 682 applications were received from men and women for the nine sporting disciplines encouraged in College. St Stephen's College has a PWD friendly environment and had over one hundred applications under this category this year. The total number of vacancies in College are four hundred, excluding the mandatory PWD and Sports categories.

The cut offs for the various subjects are indicated below. Subject-specific criteria apply in some cases.
